Alderman Elliott called the Economic Development & Negotiations Meeting to order.

Elliott stated that first, we have an Ordinance annexing the territory commonly known as 4700 Nameoki Drive and 2014 Harrison Avenue to the City of Granite City, Illinois that we need to pass tonight.

MOTION By Elliott, second by Mathes to approve an Ordinance annexing the territory commonly known as 4700 Nameoki Drive and 2014 Harrison Avenue to the City of Granite City, Illinois. ALL VOTED YES. Motion Carried.

Elliott turned over to Business owner Beth Buenger, she is here to inform us on Route 66.

Buenger stated that she handed out everyone a map of Route 66 and explained where it went through the City. By being a part of Route 66 this could potentially bring people and revenue to the City. Some businesses that were here at that time such as The Hospital, the old Gas Station across from the Fire Station, and the Tavern across the street. There is some signage out by 270 and route 203; I think that more signage needs to be added so that the people need to come through the route in Granite City.

MOTION By Elliott, second by Mathes to adjourn the Economic Development & Negotiations Meeting. ALL VOTED YES. Motion Carried.

MEETING ADJOURNED.
